**Description:** Ty is accustomed to having nice things and will use everyone in her path to get and keep them. She lures her prey with her smooth words and hypersexuality. Only one person knows of her devilish schemes and, every chance he gets, he threatens to expose her secrets to Ty's new target ~ Fatima, who is not only oblivious to Ty's drug & alcohol dependencies, but also has no idea she tricks for money. Fatima soon learns that's not all Ty is hiding and it isn't so easy untangling herself from Ty's web of deceit. Can Fatima convince Ty to right her wrongs or will Ty choose to stay engulfed in the wheel of greed?

*This novel grabbed my attention and pulled me into its world. Great storytelling with believable characters that made me happy, sad, angry, and a little "randy". A must-read! By: [jill rowens](#)*
